Dear Ms. Gribble

As a warranted Contracting Officer for the General Services Administration (GSA), Federal Acquisition Service (FAS), Federal Systems Integration and Management Center (FEDSIM), I have no authority to exempt contractors from Federal, State, or Local taxes. In addition, your company is neither an agent nor principal of the United States Government or GSA/FAS/FEDSIM.

However, in accordance with contract 47QFCA20C0019 GSAM clause 552.229-70 Federal, State, and Local Taxes, I am providing this letter to Kratos S2, Inc., without liability, as furnished evidence appropriate to establish tax exemption from State of Colorado. Any supplies and/or services purchased under this certification must be properly accounted for, properly used, and the title/ownership to the property (supplies) will pass directly to the United States Government.

This certification is in effect from 11 June 2025 through 10 June 2026.

Sincerely,
