It is a misdemeanor to misuse the certificate of resale for the purpose of obtaining taxable property or services without the payment of the sales or use tax when it is due and such wrongful use is grounds for the Commissioner to revoke the taxpayer's Certificate of Registration.

The taxpayer must furnish its supplier(s) at the time of purchase with a copy of the enclosed certificate with the lower portion properly completed. The original certificate should be retained **for copy purposes**. The supplier must maintain a file copy as evidence of the sales tax exemption. Later purchases do not require the submission of additional copies. The taxpayer must notify the seller in writing if the certificate is no longer valid.
